PROFESSIONAL EXPERIENCE

SENIOR MARKETING PROJECT MANAGER

Pioneer Valley Books, Northampton, MA | December 2018 – December 2025

Progressive roles: Marketing Projects Specialist → Marketing Project Editor → Senior Marketing Project Manager

- Developed and executed comprehensive email marketing strategies across MailChimp, HubSpot, and Constant Contact, including newsletters, promotional campaigns, and automated workflows
- Wrote and edited email and digital communications copy, maintaining consistent brand voice across audiences and channels
- Designed and managed automated email journeys and segmentation strategies to deliver targeted communications to distinct audience groups
- Increased digital engagement metrics by 40% through audience segmentation, A/B testing, and data-driven optimization
- Maintained organization-wide content calendar across multiple digital platforms, including social media, ensuring consistent cross-channel messaging
- Coordinated cross-functional teams to manage content pipelines from concept through delivery, ensuring brand consistency and quality
- Trained team members on platform capabilities and digital content best practices

DIRECTOR OF SALES & MARKETING

Tupelo Press, North Adams, MA | June 2009 – November 2018

- Managed integrated digital marketing campaigns for 10–14 titles annually across email, social media, and print channels
- Planned and executed communications for author events and speaking engagements, including invitations, promotional materials, and participant communications
- Developed donor communications and audience segmentation strategies that

deepened constituent engagement and grew independent sales

- Built strategic partnerships with authors, donors, and institutional partners, expanding organizational reach
- Secured national publication coverage through media outreach and relationship management

GENERAL MANAGER/ADULT BUYER

Jeffery Amherst Bookshop, Amherst, MA | August 1998 – November 2008

- Managed daily operations including staff supervision, financial reporting, and inventory analysis
 - Built community partnerships through monthly programming and cross-promotional initiatives with educational and cultural organizations
-
